I am responsible for any income tax or penalties for the election I made in this form. I acknowledge that Service Provider has not provided any tax or investment advice. General Information - I understand that only certain types of distributions are eligible for rollover treatment and that it is solely my responsibility to ensure such eligibility. By signing below, I affirm that the funds I am rolling are in fact eligible for such treatment. I authorize these funds to be transferred into my employer's Plan and to be invested according to the information specified in the Investment Option Information section. I understand and agree that this account is subject to the terms of the Plan Document.

I understand that I am permitted to direct the investment of my accounts in the Plan. I acknowledge that I have received and reviewed the information about my investment choices and have had an opportunity to freely choose how my accounts are invested. I understand and agree that my employer and other plan fiduciaries will not be liable for the results of my investment directions. **All funds rolled in the The Act 1 Group of Companies 401(k) Plan for Hourly Associates are subject to the terms of the The Act 1 Group of Companies 401(k) Plan for Hourly Associates.**

If the investment option information is missing or incomplete, I authorize Service Provider to allocate the direct rollover assets ("assets") the same as my ongoing contributions (if I have an account established) or to the default investment option selected by my Plan (if I do not have an investment election on file). If no default investment option is selected by my Plan, the funds will be returned to the payor. If additional assets from the same provider are received more than 180 calendar days after Service Provider receives this Incoming Direct Rollover form (this "form"), I authorize Service Provider to allocate all monies received the same as my ongoing allocation election on file with Service Provider. I understand I must call 1-888-737-4480 or access the Web site at empowermyretirement.com in order to make changes or transfer monies from the default investment option. If my initial

rollover assets are received more than 1 year after Service Provider receives and approves this Incoming Direct Rollover form, I understand Service Provider will require the submission of a new form for approval. I understand that this completed form must be received by Service Provider at the address provided on this form.

I understand that the current Custodian/Provider may require that I furnish additional information before processing the transaction requested on this form, and Service Provider is not responsible for determining the status of any transaction that I have requested. It is entirely my responsibility to provide the current Custodian/Provider with any information that they may require, and/or to notify Service Provider of any information that the current Custodian/Provider may wish to obtain in order to effect the transaction.

Withdrawal Restrictions - I understand that the Internal Revenue Code and/or my employer's Plan Document may impose restrictions on direct rollovers and/or distributions. I understand that I must contact the Plan Administrator, if applicable, to determine when and/or under what circumstances I am eligible to receive distributions or make direct rollovers.

Investment Options - I understand and acknowledge that all payments and account values, when based on the experience of the investment options, may not be guaranteed and may fluctuate, and, upon redemption, shares may be worth more or less than their original cost. I acknowledge that investment option information, including prospectuses, disclosure documents and Fund Profile sheets, have been made available to me and I understand the risks of investing. I understand and agree that Service Provider will not be liable for the results of my investment directions.

Account Corrections - I understand that it is my obligation to review all confirmations and quarterly statements for discrepancies or errors.

Outstanding Loan Balance - An outstanding loan balance cannot be included in the direct rollover. However, you may pay off the outstanding loan balance before this direct rollover is submitted. After the loan is paid off, you may submit this direct rollover request. If you do not pay off the outstanding loan balance, you may direct rollover only the cash value (not including the loan) from the contract that has the outstanding loan.

Certification for Late Rollover Contribution - Pursuant to Internal Revenue Service Revenue Procedure 2016-47, I certify that my contribution which I have described on this form missed the 60-day rollover deadline for the reason(s) listed under Reasons for Late Contribution Section. I am making this contribution as soon as practicable after the reason or reasons I indicated no longer prevent me from making the contribution. I understand that this certification concerns only the 60-day requirement for a rollover and that, to complete the rollover, I must comply with all other tax law requirements for a valid rollover and with your rollover procedures.

Pursuant to Revenue Procedure 2016-47, unless you have actual knowledge to the contrary, you may rely on this certification to show that I have satisfied the conditions for a waiver of the 60-day rollover requirement for the amount identified on this form. You may not rely on this certification in determining whether the contribution satisfies other requirements for a valid rollover.

I declare that the representations made with respect to my certification for late rollover contribution on this form are true and that the IRS has not previously denied a request for a waiver of the 60-day rollover requirement with respect to a rollover of all or part of the distribution to which this contribution relates. I understand that in the event I am audited and the IRS does not grant a waiver for this contribution, I may be subject to income and excise taxes, interest, and penalties. If the contribution is made to an IRA, I understand you will be required to report the contribution to the IRS. I also understand that I should retain a copy of this signed certification with my tax records.

Step-by-Step Instructions for Rollover Contributions

The Act 1 Group of Companies 401(k) Plan for Hourly Associates offers you the opportunity to "roll over" the distribution you receive from your previous employer's Plan or IRA. The following information and instructions are designed to help you through this process. If you have any questions, please contact a dedicated specialist at 1-888-737-4480.

Determine Whether Your Contribution is a Direct Rollover or an In-direct 60-Day Rollover.

- **Direct Rollover:** Your previous plan or annuity makes the distribution check payable directly to Empower Trust Company, LLC as trustee of this Plan.
- **In-direct 60-Day Rollover:** Your previous plan or annuity makes the distribution check payable to you.

If You Are Electing a Direct Rollover

- Complete the Participant Information section of the Incoming Rollover Election form.
- Complete the Rollover Information section choosing Direct Rollover and the applicable Internal Revenue Code ("Code") plan type on the form.
 - If you are rolling over after-tax contributions, please indicate the amount of the after-tax cost basis (contribution amount not including earnings).
- Complete the Previous Provider Information section.
- Complete the Required Documentation section. Please attach a copy of most recent account statement to the Incoming Rollover Election form. If your most recent account statement does not indicate the Code plan type and Plan Name of your previous employer's plan, you must ALSO have your previous employer sign the Incoming Rollover Election form. For an IRA, please verify the account statement indicates the account is an IRA.
- For a Direct Rollover from an IRA please note: The maximum amount eligible for rollover is the total amount of your taxable IRA contributions plus earnings. Non-taxable IRA contributions may not be rolled over. If your rollover amount was held in a conduit IRA and you were born before January 1, 1936, you may be eligible for capital gains treatment. In this instance, you may want to track these rollover amounts in order to be eligible for favorable tax treatment. If the amounts were from a SIMPLE IRA, you would have had to participate in the SIMPLE IRA for a minimum of two years.
- **If you have already received a rollover check, send this form, the check and the check stub together to the appropriate address shown in the Payment Instructions section.**
- **If you do not have a rollover check, and have not initiated a distribution from the other provider,**
 - 1. Send this form with appropriate documentation described on this form.**
 - 2. In order to complete the rollover, the previous provider must be contacted and instructed to distribute the assets. If you would like assistance with contacting the other carrier, please contact a dedicated specialist at 1-888-737-4480.**
- Send your completed Incoming Rollover Election form with required documentation attached to:

For an IRA, please verify the account statement indicates the account is an IRA.

Some Important Rollover Facts

- If any documentation is missing, your request will not be processed until you have submitted the required documentation for review.
- In the event that a rollover contribution is made that cannot be accepted, the rollover contribution will be made payable and returned to the issuer. Please contact a dedicated specialist at 1-888-737-4480, if you have any questions about your incoming rollover options for this Plan.
- Examples of Contributions Which Cannot Be Rolled Over:
 - Any "required minimum distribution" (i.e., amount being paid to you because you are age 70 1/2 or older).
 - Distributions that are a series of periodic payments (made at least annually) and paid to you over your life expectancy (or the life expectancy of you and your beneficiary) or for a period of at least 10 years.
 - Hardship Distributions
 - Unforeseeable Emergency Distributions
 - Excess Contributions
 - Roth IRA Assets
- Please Note: If you are making a "Regular 60-Day Rollover" under Federal Regulations, you have 60 (sixty) days from the date of your distribution to make a rollover contribution. It is your responsibility to ensure that Service Provider receives all required documentation AND your rollover contribution prior to the expiration of the 60-day period. After 60 days, Service Provider can only accept a rollover on behalf of the Plan if you certify a reason for late contribution. You will be responsible for any income tax or tax penalties for failure to meet the 60-day rule for rollover contributions when information is not provided and the rollover contribution is not made within the 60-day period. If you provide a reason for late contribution, you will be responsible for maintaining the documentation.
- An election to rollover to this Plan from another plan or IRA may result in significant tax consequences to you. You are responsible for any income tax or penalties for the election made in this form.
- Review decisions related to your qualified plan distribution with your financial advisor or tax advisor.

Read this information carefully.
